Paperwork

Mr. Smith attends the academic assessment and returns for an appointment with his case manager. His case manager helps him develop a career path in the healthcare field.

Mr. Smith's test results are entered into the system.

Mr. Smith's next step is to gain certification as certified nursing assistant. Before training, he needs to raise his math score to 10.0.

Mr. Smith's case manager refers him to Adult Education to brush up on his math skills.
